Profile

Embrace the journey of becoming a frontend developer with a self motivated spirit . Aspiration is to continually grow as a professional and utilize my expertise in problem solving skills to identify root causes and develop effective solutions.

Professional Experience

2022/11 – present
Jaipur, India

Full Stack Developer

Full Stack Learning [↗](#)

My full-stack development journal, guided by the exceptional mentor Rohit Jain, has been an incredible journey. Starting out, I faced daunting challenges in learning various programming languages, but as I document my progress, I can't help but feel a sense of confidence and pride in my accomplishments. This transformative experience has empowered me to master a multitude of languages and embrace the world of full-stack development.

Education

2020/04 – 2023/04
kuchaman city, India

B.Sc

Bharatiya Mahavidhyalaya , chitawa [↗](#)
